

Based in Alzenau, near Frankfurt in Germany, Hyundai Motorsport GmbH is responsible for Hyundai's global motorsport activities and primarily for its World Rally Championship program. In parallel to its title winning WRC campaign, Hyundai Motorsport's Customer Racing department was created with the aim of enhancing Hyundai's motorsport image around the world with the Hyundai i20 R5 rally car and the Hyundai i30 N TCR for circuit racing.

We are now hiring an IT Specialist

Main tasks

- Providing technical assistance to users by installing, configuring, testing, and upgrading computer software and hardware
- Manage daily operations of the IT department and on the Microsoft active directory system
- Perform tasks that revolve around detection and resolution of technical problems in the factory and on events like races and tests
- Develop new strategies and IT procedures to increase efficiency, enhance workflow and improve the network systems
- Manage the database and storage systems regularly
- Provide support to the administration and all departments involved
- Offer suggestions for possible upgrades and changes within the IT department

Qualifications

- Bachelor's degree in Information Technology, Computer Science or related experience required
- Experience in network management (Cisco Switch, Router and IP Phone)
- Willingness to travel within Europe and abroad (7-10 events per year)
- Ability to work with security systems like DRM, Cisco ISE and VPN
- Proven track record of handling ERP (SAP) and PLM systems
- Good communication skills in English are essential
- Speaking Korean and / or German is an advantage
