

Based in Alzenau, near Frankfurt in Germany, Hyundai Motorsport GmbH is responsible for Hyundai's global motorsport activities and primarily for its World Rally Championship program. In parallel to its title winning WRC campaign, Hyundai Motorsport's Customer Racing department was created with the aim of enhancing Hyundai's motorsport image around the world with the Hyundai i20 R5 rally car and the Hyundai i30 N TCR for circuit racing.

We are now hiring a **Number 1 Mechanic**

Main tasks

- Manage a team of mechanics to ensure all activities are carried out on time and at an exceptional standard to achieve top results for our Customer Racing department
- Manage and organize test team mechanics both in the workshop and at test sessions to:
 - Prepare R5 & TCR test cars
 - Prepare related development / spare parts before test sessions according to engineers specification and setup sheets
 - Build first prototype cars
- Perform tasks and responsibilities as a Number 1 Mechanic during test sessions
- Organize test sessions with logistics department and development engineers
- Feedback technical information to designers and engineers in a clear and concise manner

Qualifications

- Previous experience of 5 or more years within a high level motorsport environment or manufacture team
- Experience of managing a team of mechanics
- Fluent English is compulsory
- Initiative and problem solving approach
- Flexible approach to working hours and tasks is essential
- Ability to work to tight deadlines and under high pressure
- Work effectively as a member of a wider organization
