The diagram illustrates a rally route on a map. A blue line represents the liaison route, which starts at a refuelling station (fuel pump icon) and leads to a service park (gear icon). From the service park, the route continues as a blue line with arrows indicating the rally direction. A green circle marks the stage start, and a red circle marks the stage finish. The special stage (SS6) is shown as an orange line with red arrows indicating the direction of travel. The route is 10.31 km long. A river is visible on the left side of the map.
